

2015 BUSINESS LOCATION MAP

This MAP to Mount Desert Island Communities and Acadia National Park is provided to our visitors by the participating merchants listed below, in co-operation with Christina Boucher dba Bayside Graphics. They are available through all of the Island and Area Chambers of Commerce, from most merchants on the Island, and throughout all the Downeast Area. Businesses listed below are very community-minded, have paid for the printing & distribution of this Map, and work together to make your stay more pleasant & enjoyable. Please don't hesitate to call on them for service & assistance!

The businesses are listed below by *Category* and then by the *Towns/Villages* where they are primarily located. The "MAIN MAP GRID" Column refers to the business' location relative to the **LARGE MAP** on the reverse side. The **TOWN MAP GRID** refers to one of the **SMALLER MAPS** located in the corners.

Medical listings (hospitals, clinics, physicians, dentists, veterinarians and drug stores) are listed in bold to assist finding them in an emergency.

PLEASE NOTE: The asterisk (*) after a business name indicates that they are open year round. In mid-winter, please call ahead just to be sure!

To view these listings online go to www.mdibusinesslocationmaps.com
